

WELCOME TO SARACEN FIRE PROTECTION'S LATEST NEWSLETTER

SARACEN NEWS

👋 We are delighted to welcome Andy, our new Technician. Andy is settling in nicely and is a great addition to our Saracen team. Please join us in welcoming Andy, he's looking forward to meeting you all!

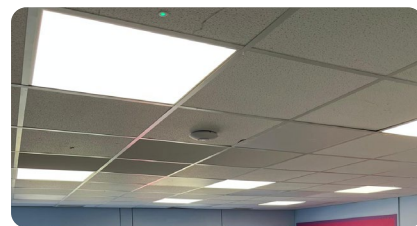

⚽ Did you know that our technician George used to play professional football for West Bromwich Albion from the age of 8 until he was 19? Even though we now have the pleasure of George at Saracen Fire Protection, he still loves his football and has recently joined a local football team. We are very proud to sponsor him.

SERVICE FEATURE

With the start of a new term, we have been busy helping all of our schools, colleges and universities get ready for the 2022/23 academic year.

Here are some examples of our work for a recent Fire Extinguisher and Emergency Light Installation at a local school where we completed a large install that we finished well in time for the opening of the school.

At Saracen, we always make sure we work with you to minimise any disruption and ensure we provide exactly what you need.

If you would like any help or advice with your fire extinguishers and emergency lighting, do not hesitate to call: 01675 628999 or email: sales@saracenfireprotection.co.uk and we will get back to you asap!
